

Elvie and Saba

Elvie felt very *lonely* when her pet dog, Saba, *died*. She grew up with Saba since they were both babies. She often walked alone to the hillside where they *used to* play. There, she would *recall* the time when they were racing to their favorite tree.

This *lasted* for almost half a year and her parents got worried. So they told her if she wants a new dog. But she said no.
